Design Excellence Awards.
Leading the industry with innovations and revolutions.

INOXI-R1(GY)

Flow setting : 1,2,3,4,5,6,S(7)

INOXI-R1

Flow setting : 1,2,3,4,5,6

INOXI-R2

Flow setting : 1,2,3,4,5

INOXI-R2 (Lite)

Flow setting : 1,2,3,4

**The world's first portable
oxygen concentrator
that climbs to 7546 meters.**

Product specifications	
Size	17.7cmx7.7cmx19.4cm
Weight	1.8kg
Adaptor	200g
Noise	39-59db(A)
Oxygen concentration	Up to 96%
Battery life	1.5-8h power battery
Charging time	2h(100W type-C Super fast Charge)
Warm-up time	2min
Operation altitude	5000m to 7546m
